CHARTS

CHARTIFACTS!

Week Commencing ~ 13 February 2006 ~ Issue #832

SINGLES. Chris Brown holds off the pack for another week and holds his position at #1. But **Bob Sinclar** looks like he really wants that title, steadily sneaking up the chart, he moves another spot this week to find himself at #2. **James Blunt**, **Rogue Traders** and **Santana** all move up two spots to record their peaks at #3, #5 and #7 respectively. **Eminem** holds firm at #4. While the rest have bounced around like a pogo stick!

No.32 I'LL BE READY – Sunblock. As **The Hoff** is soon to hit our shores and Hoff-mania is still going strong, Swedish DJs/producers **Martin Pihl** and **Magnus Norodin** have released their hoff-tastic debut single. It samples a slice of the opening credits song from the unforgettable piece of TV history "Baywatch". Keep your eyes out for the saucy film clip too!

No.46 UHN TISS UHN TISS UHN TISS – Bloodhound Gang. Originally from Pennsylvania, **Jimmy Pop** and the **Gang** are known for their humorous yet obscene and often offensive lyrics, but nonetheless this has gained them a huge fan base. They first broke into the scene in 1997, with their classic track **Fire Water Burn**. It peaked at #13 in May that year. It wasn't until **The Bad Touch** was released in November '99 did they really hit the big time! The track peaked at #5 in February the following year. **Uhn Tiss** is the second single release off their latest album – **Hefty Fine** (#32 Oct. '05).

No.86 NOOKIE – Jamesy P. **Jamesy P** was born **James Morgan** in St Vincent on May 18, 1970. In 1991 he migrated to the British Virgin Islands, where whilst working as a barber he met **Daddy Juicy** and **Pinchy P**. The two people he credits for starting him in the entertainment field. This is **Jamesy P's** debut to the ARIA singles chart.

Albums. After five weeks at the top, **James Blunt** is knocked off his perch by none other than **The Living End**, occupying the #1 position this week. The only act from the Top 10 last week to climb the chart are **Rogue Traders** who jump a place to #4. Unfortunately, everyone else takes a dive. **Andrea Bocelli** and the **Walk The Line** soundtrack both enter the Top 10 at #7 and #8 respectively, while **Il Divo** re-enters at #10.

No.1 STATE OF EMERGENCY – The Living End. In 1994 **Chris Cheney** co-founded **The Living End** with aspirations of becoming a popular "punkabilly" rock act. The trio have achieved just that! In their early days, the Aussie boys scored a support slot with **Green Day** after they sent frontman **Billy Joe Armstrong** a copy of their demo tape. Their debut album **The Living End** debuted at #1 on the albums chart. They have followed up with three top 10 albums – **Roll On** (#8, Nov. '00), **Modern Artillery** (#3, Oct. '03) and **From Here On In – The Singles 1997-2004** (#10, Oct. '04). The first single from **State Of Emergency**, **What's On Your Radio**, peaked at #9 late last year.

No.7 AMORE – Andrea Bocelli. Born in rural Tuscany, **Andrea Bocelli** grew up listening to opera and classical music. At 12 years of age, a soccer accident left him permanently blind. Despite his disability, **Bocelli** went on to study law at university and graduated with a degree which earned him an attorney's position. However, music was **Bocelli's** passion so he chased his dream. His music brought opera across into popular culture, with his releases achieving success. **Romanza** peaked at #2 (Sep. '98), **Viaggio Italiano** reached #14 (Sep. '98), **Sogno** got to #3 (May '99), **Sentimento** peaked at #17 (Dec. '02) and **Andrea** made its mark at #14 (Nov. '04).

No.32 FROM DANIEL WITH LOVE – Daniel O'Donnell. Making his start in a church choir as a youngster, **Daniel O'Donnell** is now a renowned Irish country singer in his native Ireland and surrounding nations. As a child, his family was known as the "Boscoss" as there were too many families in his village with the surname O'Donnell. He has released many albums, of which only a handful have made an impact on the chart. **Welcome To My World** peaked at #87 (Nov. '04), **The Jukebox Years** at #36 (May '05) and **Teenage Dreams** at #87 (Sep. '05). O'Donnell's older sister **Margo** is a popular singer in Ireland also.

No.54 KEYS TO THE WORLD – Richard Ashcroft. **Richard Ashcroft** was the acclaimed frontman of U.K. band **The Verve**, who rose to fame with the single **Bitter Sweet Symphony** (#11, Oct. '97). Plagued by drugs and disagreements, the band disbanded in 1999. **Ashcroft** then struck out on his own, with his debut solo track **A Song For The Lovers** peaking at #59 (Apr. '00). His debut album **Alone With Everybody** reached #10 in July '00. The follow up **Human Conditions** peaked at #70 (Nov. '02). Fellow U.K. rockers **Oasis** penned a track about **Ashcroft** called **Cast No Shadow**.

No.88 A LITTLE MORE PERSONAL – Lindsay Lohan. **Lindsay Lohan** was the first red-headed child to be signed to the prestigious **Ford Modeling Agency**. She was cast in many television commercials as a child and got her first big break as an actress in a remake of the movie **The Parent Trap**. Most recently, **Lohan** has decided to set her sights on a music career. Her debut album **Speak** peaked at #57 (Jan. '05). The first single from **A Little More Personal** is called **Confessions Of A Broken Heart (Daughter To Father)** and it reached a peak position of #7 last month. Along with her entertainment careers, **Lohan** is known for her family struggles, weight issues and nightlife antics with fellow party girls **Nicole Ritchie** and **Paris Hilton**.
